BOXTOPS FOR EDUCATION - Keep Saving!!

Cleaning this week: Group 3

Please be conscientious in your cleaning. The last few co-op weeks, there have been several issues in many rooms -floors not vacuumed well, tables not wiped clean (Wipe the tables with Clorox wipes even if they look clean), lights left on, etc. The students need to be helping, but mom needs to check to make sure everything is cleaned well.

Cleaning Reminders:

If you will not be at co-op on your cleaning week, remember to get a substitute!

SNOW Cancellation Policy:

Listen to your radio or TV or check your email. If Trinity School District cancels or has a 2 hour delay due to snow or ice, we cancel. Call or email if you have questions.
